

Conferences at Uncle Henry's

"We use Uncle Henry's for monthly team meetings as the upstairs conference room is just the right size for our group, the location is very central to everyone so easy to access with lots of car parking.

The quality of the food and drink is excellent as is the service provided. The team at Uncle Henry's ensure each meeting is a success and are very helpful and welcoming.

We occasionally use the downstairs blue room for larger meetings and again this works well.

With easy access and excellent facilities, Uncle Henry's is an ideal venue for meetings in North Lincs".
